SUMMARY

Motivated and detail-oriented 2D & 3D Draftsman with knowledge in AutoCad and Cero. Seeking entry-level opportunities to apply design skills and grow in the field of mechanical drafting.

ACADEMIC PROFILE

COURSE	INSTITUTE	YEAR OF PASSING
SSLC	St. Mary's boys Hr Sec School	2019
HSC	S A V Boys Hr Sec School	2021
Diploma Mechanical Engineering	Government Polytechnic College Thoothukudi	2024

SKILLS & CERTIFICATION

- Basic Computer knowledge
- AutoCAD(Jun 2023- Aug 2023)
MSM Engineering Solutions, Thoothukudi.
- Creo (Feb 2024- Apr 2024)
MSM Engineering Solutions, Thoothukudi.

STRENGTH

- Easy to handle difficult situation
- Hard working to achieve goals
- Easy to adapt in all places

PROJECT

Compact High Efficiency Solar Water Heater.

Designed and developed a compact high-efficiency solar water heater focused on maximizing thermal performance within limited space. Utilized efficient absorber materials and optimized insulation to reduce heat loss and enhance energy conversion. The system is ideal for residential applications with limited roof area, offering sustainable and cost-effective water heating

WORK EXPERIENCE

Purchase & Design (JUN 2024-MAR 2025)

Vero Engineering Works
